

# Executive Summary: Workplace Tobacco Use Assessment Thomas Jefferson Health District • Virginia Planning District 10

*Serving the City of Charlottesville and Albemarle, Fluvanna, Greene, Louisa & Nelson Counties*

The Planning District 10 Tobacco Free Community Coalition administered an online workplace survey to 732 businesses between February 4 and 14, 2014 in an effort to delineate whether worksites currently administer any type of tobacco control policies. A direct marketing effort that included letter-writing to businesses enrolled in the local Chamber of Commerce chapter yielded a total of 49 responses.

Below is a summary of the survey results and the full report is available at [www.tjhd.org/data](http://www.tjhd.org/data).
